Subject: Resending Proposed Fine Assessment, GR 200 Plus LLC c/o A G Cooper and Associates, GR 200 Mine, S/019/0066, Grand County, Utah

Dear Sirs:

The enclosed Proposed Assessment Letter for cessation order MN-2014-68-03 was originally sent February 2, 2015, and was received by the Division of Oil, Gas and Mining as unclaimed on September 25, 2015. The letter was sent prior to the on-site meeting between Mike Bradley of the Division, the land owner, and others, and prior to verbal discussions on the reclamation options, as well as the development of the interim reclamation plan that was submitted in June 2015.

Please note that the proposed fines have been properly assessed, but the Division is re-opening the appeal period since you did not receive the original assessment letter. **The deadline for appealing the fact of the violation, the assessment, or both is November 13, 2015.** Instructions for filing an appeal are in the February letter.

Sincerely,

Paul Baker
Minerals Program Manager
